

LEGATO MOBILE SOTTOLAVABO RETTANGOLARE / QUADRATO

SCHEDA INFORMATIVA DEL PRODOTTO

Titolo dell'articolo	Villeroy & Boch Legato Mobile sottolavabo, con illuminazione, 1 vano estraibile, 600 x 380 x 500 mm, Black Matt Lacquer / Black Matt Lacquer
Numero dell'articolo	B731L0PD
Montaggio / Tipo di montaggio	montato a parete
Tipo di apertura	1 vano estraibile
Dotazione	1 x divisorio in vetro alto , 2 x divisori in vetro bassi 1 x scatola accessori L 1 x vano estraibile con tappeto antiscivolo
In dotazione	1 x mobile sottolavabo , 1 x set di fissaggio
Posizione del lavabo	lavabo al centro
Profondità in mm	500
Larghezza in mm	600
Altezza in mm	380
Collezione	Legato
Adatto a	lavabi per le mani selezionati
Funzioni sedile	• con SoftClosing • con illuminazione
Materiale frontale	MDF
Finitura del frontale	Vernice
Materiale scocca	MDF
Finitura della scocca	Vernice
Materiale piano di copertura	Truciolato
Forma	Rettangolare / quadrato
Codice colore	Black Matt Lacquer
Codice colore del piano di copertura	Black Matt Lacquer
Con illuminazione	sì
compatibile con Smart Home	no

B731L0PD

Technical drawing of the 220-240V power supply unit, showing three views: front, side, and top.

Front View: The unit has a total width of 600 mm and a total height of 638 mm. The main body is 500 mm wide and 380 mm high. The mounting flange is 58 mm thick. The distance from the bottom of the flange to the bottom of the main body is 610 mm. The distance from the top of the flange to the top of the main body is 635 mm. The distance from the top of the flange to the top of the unit is 370 mm. The distance from the left edge of the flange to the center of the mounting holes is 150 mm. The distance from the right edge of the flange to the center of the mounting holes is 150 mm. The distance from the left edge of the main body to the center of the mounting holes is 150 mm. The distance from the right edge of the main body to the center of the mounting holes is 150 mm. The distance from the top of the main body to the top of the unit is 340 mm. The distance from the bottom of the main body to the bottom of the unit is 326 mm. The distance from the left edge of the main body to the left edge of the unit is 148 mm. The distance from the right edge of the main body to the right edge of the unit is 148 mm.

Side View: The unit has a total width of 500 mm and a total height of 340 mm. The main body is 479 mm wide and 326 mm high. The mounting flange is 148 mm thick. The distance from the bottom of the flange to the bottom of the main body is 610 mm. The distance from the top of the flange to the top of the main body is 635 mm. The distance from the top of the flange to the top of the unit is 370 mm. The distance from the left edge of the flange to the center of the mounting holes is 150 mm. The distance from the right edge of the flange to the center of the mounting holes is 150 mm. The distance from the left edge of the main body to the center of the mounting holes is 150 mm. The distance from the right edge of the main body to the center of the mounting holes is 150 mm. The distance from the top of the main body to the top of the unit is 340 mm. The distance from the bottom of the main body to the bottom of the unit is 326 mm. The distance from the left edge of the main body to the left edge of the unit is 148 mm. The distance from the right edge of the main body to the right edge of the unit is 148 mm.

Top View: The unit has a total width of 596 mm and a total height of 596 mm. The main body is 500 mm wide and 500 mm high. The mounting flange is 58 mm thick. The distance from the bottom of the flange to the bottom of the main body is 610 mm. The distance from the top of the flange to the top of the main body is 635 mm. The distance from the top of the flange to the top of the unit is 370 mm. The distance from the left edge of the flange to the center of the mounting holes is 150 mm. The distance from the right edge of the flange to the center of the mounting holes is 150 mm. The distance from the left edge of the main body to the center of the mounting holes is 150 mm. The distance from the right edge of the main body to the center of the mounting holes is 150 mm. The distance from the top of the main body to the top of the unit is 340 mm. The distance from the bottom of the main body to the bottom of the unit is 326 mm. The distance from the left edge of the main body to the left edge of the unit is 148 mm. The distance from the right edge of the main body to the right edge of the unit is 148 mm.

Electrical Connections: The unit is connected to a 220-240V power supply. The connections are labeled N (Neutral) and L (Line). The unit is shown with three mounting holes.
