| compatibile con Smart Home    | no                                                                                                                            |

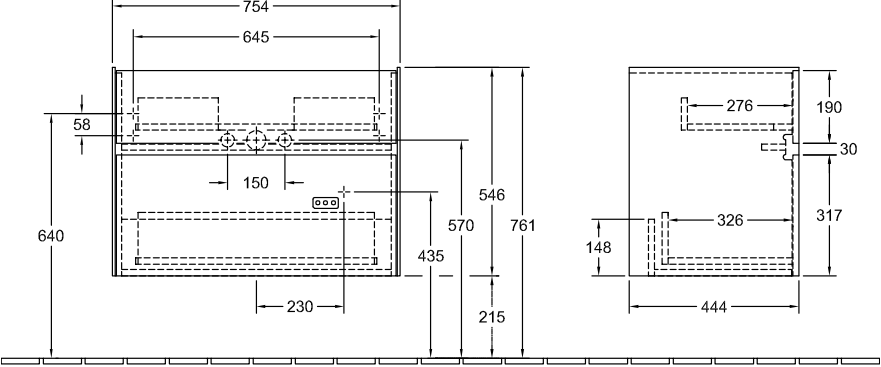

Technical drawing of a rectangular box with the following dimensions and features:

- Overall width: 754
- Internal width: 645
- Overall height: 640
- Top flange thickness: 58
- Internal height (excluding top flange): 546
- Internal height (excluding top flange and bottom flange): 570
- Bottom flange thickness: 215
- Internal height (excluding top flange and bottom flange): 435
- Internal width (excluding side walls): 150
- Internal width (excluding side walls and bottom flange): 230

The drawing shows a cross-section of the box with dashed lines indicating internal features and dimensions. The box has a top flange and a bottom flange. The internal width is 645, and the internal height is 546. The overall width is 754, and the overall height is 640. The top flange thickness is 58, and the bottom flange thickness is 215. The internal height (excluding top flange and bottom flange) is 570. The internal width (excluding side walls) is 150, and the internal width (excluding side walls and bottom flange) is 230.

A technical drawing of a rectangular box or container. The drawing shows a top-down view of the box, which has a central rectangular cutout. The box is shown with a double-line border, indicating its thickness. A dimension line at the bottom indicates the overall width of the box is 732. The drawing is composed of black lines on a white background.
